

### **PIC Participates in "Forum for strategic alternatives and manufacturing industries"**

The company participated in the events of the forum which was organized by volunteer group for energy development under the sponsorship of the Minister of Social Affairs and Labor, and the Minister of State for Economic Affairs, Mrs. Hind Al-Subaih, and the Kuwait Petroleum Corporation (KPC) during the period from 22<sup>nd</sup> to 23<sup>rd</sup> of October at the Crowne Plaza Hotel.

The conference discussed visions and thoughts of experts and specialists in addition to reviewing the successful experiences in the Petrochemical Industry. The company presented a working paper entitled "The strategy of the Petrochemical Industries Company and its contribution to the local content", where the first of the development of the works was reviewed by Engineer/ Daoud Ali, on the Petrochemical Industry and its future strategy in the expansion of petrochemicals, in addition to the most important preceding and present activities related to support the company for local content projects.

Engineer Daoud noted the important role the forum plays, which presents an opportunity to shed light on the petrochemical industry because of its role in the development of the national economy and appreciated the efforts of the organizers to make this event a success.
