

Workshop entitled "Secrets in Motivation... A Challenge Story"

The Communication and Services Department hosted a workshop on October 30, 2018 at the head office entitled

"Secrets in Motivation... A Challenge Story," presented by CEO of Al-Faisal Universal Center Mr. Faisal Jawad Al-Musawi;

a specialized motivation and leadership trainer.

Al-Musawi is considered the first diver of special needs in Asia and the Middle East, and has earned more than one

certified international diving license. He holds the fastest 10 kilometer dive record in the Guinness Book of World Records.

The lecture saw large interaction from staff members who were impressed with its main topic of discussion. The workshop featured details about the types of motivation and secrets to success despite challenges, while the lecturer gave examples and explanations from his experience. Furthermore, competitions were held and prizes were

distributed to those in attendance.
