

Premium participation in the 14th GPCA Forum in Dubai

The Company dispatched a high-level delegation headed by CEO, Mr. Mutlaq Al-Azmi, and including Deputy CEO for Projects and Business Development, Eng. Nadia Al-Hajji, Deputy CEO for Administration and Finance, Eng. Shafi Al-Ajmi, and a number of managers and team leaders to participate in the activities of the 14th Gulf Petrochemicals & Chemicals Association (GPCA) Forum held in Dubai from 3 - 5 December, 2019 under the title "Success through Strategic Partnerships".

In the context of participation, the Company held numerous meetings and entered into multiple agreements for senior management and marketing sector with its customers, in addition to highlighting through its pavilion in the exhibition accompanying the forum its achievements by clearly presenting its current and future projects for attendees and visitors who praised the pavilion and the Company's development projects.
